

Advisory Committee

Mr. Zafar Javeed
Honorary secretary, SUES

Prof. Ashfaque Jafari
Dean, Academics

Mr. Ahmed
Asst. Professor, CSED

Prof. Ishrat M. Mirzana
Professor, MED

Syed Md. Akbar Hashmi
Asst. Professor, CSED

Dr. Basheer Ahmed
Advisor cum Director, MJCET

Prof. Syed Ferhathullah Hussainy
Dean, Student Affairs

Dr. Shaik Kareem Ahmmad
Associate Professor in Physics

Mr. Zainuddin Naveed
Asst. Professor, CSED

Muffakham Jah

College of Engineering & Technology

Approved by AICTE & Affiliated to Osmania University
Accredited by NAAC

Web Conference

TTCIE-2021

Trends, Technological Challenges and Innovations in Engineering
(Student Level Conference of Research)

2 - 4th March 2021

Important Dates

Call for Abstracts	: 03-02-2021
Intimation of Selected Abstracts	: 06-02-2021
Submission & Acceptance of Camera Ready Papers	: 25-02-2021
Last date of Registration	: 27-02-2021

Registration Details

Registration link	https://frms.gl/5uqSxfAabzKy5wVA
Registration Fee	: Rs. 100/-
Bank	: Andhra Bank
Branch	: Somajiguda
Account Number	: 053410100049237
IFSC code	: ANDB0000534
Account Name : Engineers without Borders india mjcet	

Instructions for Authors

- The abstract and full paper has to be prepared as per IEEE/AIP format.
- The abstract is reviewed by two subject experts and their assessments is used by the technical program committee to short list the abstracts.
- The presentation of paper shall be in online mode.
- Accepted papers shall be published as conference proceeding with ISBN number.
- E-Certificates and E-book of Abstracts will be provided to all the authors and participants.

About the Conference

Muffakham Jah College of Engineering and Technology is organizing a three day National Web Conference on Trends, Technological Challenges and Innovations in Engineering (TTCIE-2021). TTCIE is the interdisciplinary conference for advancement of Science and Technology and encouraging innovation among young minds especially budding engineers. TTCIE- 2021 is a virtual conference where the researchers and students display their new research findings and innovations. The conference aims at providing a platform to the UG and PG students for the promotion of original academic research on Science and Technology.

Grab the chance to be the future leader

Themes

CSE

- Artificial Intelligence and Machine Learning
- Data Science and its Applications
- Cyber Security
- Internet of Things
- Bioinformatics
- Blockchain Technology

ECE

- Internet of Things
- VLSI Design
- 5G communication
- Robotics and Automation
- Signal Processing(Imaege and Speech)
- Data Sciences, AI and ML applications in ECE

EIE

- Bio-Medical Instrumentation
- Cyber Physical Systems
- Industrial IOT
- Sensors & Control
- SCADA
- Robotics

CIVIL

- Artificial Intelligence in Civil Engineering
- Environmental Impact Assessment
- GPS,GIS and RS applications in Civil Eng.
- Green Building Technologies
- Intelligent Transport System
- Smart Building Materials & Techniques

IT

- Bioinformatics
- Future technologies
- AI and Communications
- Computational Intelligence and Fuzzy systems
- AI, ML and IoT
- Student congress in Information Technology
- Student congress in Emerging trends in Science, Engineering and Technology

EEE

- Electric vehicles
- Power Electronics and its applications
- Renewable energy sources
- Micro Grid
- AI & ML applications in Electrical Engineering
- Drone Technology

MECH

- Smart manufacturing
- Nanotechnology
- Smart materials
- Ecofriendly Energy systems
- Automation/ Mechatronics
- Biomechanics

Organizing Committee

Abdul Mannan
 Akshay Kolli
 Habeebuddin Mir
 Syed Sohaib Uddin
 Moin Khan
 Jafar Taqvi
 Mohammed Sultan Ahmed
 Adnan Ali Khan
 Fahad Ahmad Noman
 Umar Mohammed Akbar
 Masiuddin
 Syed Farhan
 Syed Ishaq Shahzad
 Syed Ibrahim Shakir
 Mohammed Abbas Hussain
